

Aegean 66" x 66"

With over 24" in depth from the deck of the tub to the floor, the Aegean allows bathers to fully submerge themselves for a more pleasurable bathing experience. The Aegean can hold up to 80 gallons of water.

The Aegean is made from 100% acrylic with fibre-glass reinforcement for added strength and durability.

This bathtub complies with CSA Standards

Drain: 2"
Overflow: 2 1/4"
Sizes: ± 3/8"
