Denmark 60'' x 36''

With over 20'' in depth from the deck of the tub to the floor, the Denmark allows bathers to fully submerge themselves for a more pleasurable bathing experience. The Denmark can hold up to 40 gallons of water.

The gentle sloping back and arm rests are designed with comfort and ergonomics in mind, and the floor of the tub features a light texture.

The Denmark is made from 100% acrylic with fibre-glass reinforcement for added strength and durability.
