

## Single Neptune 40'' x 40''

With over 32'' in depth from the deck of the tub to the floor, the Single Neptune allows bathers to fully submerge themselves for a more pleasurable bathing experience. The Single Neptune can hold up to 60 gallons of water.

The Single Neptune is made from gel coat with fibre-glass reinforcement for added strength and durability.

This bathtub complies with CSA Standards

Drain: 2"  
Overflow: 2 1/4"
