

VENEZIA

Italian Designer Composite Bathtubs 66 1/4" x 29 1/4" x 33 3/4"

This bathtub is shipped fully assembled with an integral overflow.

Each bathtub in this new series is made from a formula of synthetic and natural materials, and finished with a polyester blended coating; designed to be resistant to scratching, scuffmarks, and UV rays.

Due to the nature of the composite material and the 3/4" thick walls, these baths provide excellent insulation, keeping bath water warmer for a longer period of time.

*1 year limited manufacturer's warranty included

The Venezia can hold up to 50 gallons of water.

All measurements $\pm 1/4$ "
