

## Brockton II 60" x 32"

With over 22" in depth from the deck of the tub to the floor, the Brockton II allows bathers to fully submerge themselves for a more pleasureable bathing experience.

The Brockton II is made from 100% acrylic with fibre-glass reinforcement for added strength and durability.

This bathtub complies with CSA Standards

Drain: 2"  
Overflow: 2 1/4"
