

## Marquis 66" x 30"

With over 20 1/2" in depth from the deck of the tub to the floor, the Marquis allows bathers to fully submerge themselves for a more pleasureable bathing experience.

The gentle sloping back and arm rests are designed with comfort and ergonomics in mind, and the floor of the tub features a light texture.

The Marquis is made from 100% acrylic with fibre-glass reinforcement for added strength and durability.

The Marquis features a centre drain and a deck that extends out an extra 4" for additional bathing space.

This bathtub complies with CSA Standards

In keeping with our policy of continuing product improvement, Acri-Tec Industries Corp., reserves the right to change product specifications without notice.
