

Clicker Waste & Overflow Kit

Product #: 01064

Specifications

- Assembled Depth (in inches): **15"**
- Overall Length (in inches): **22"**

Features

- Clicker waste and overflow assembly
- Chrome finish
- Drain closes & opens with a twist of the overflow cover
- Available in store by Special Order Only. See our catalog for details

A waste and overflow kit designed to fit most drop in or skirted bathtub applications. Open and close the bathtub drain with a simple turn of the overflow cover. Featuring solid copper construction and enclosed operating mechanism, this overflow requires zero maintenance and is easily adjustable from inside the bathtub. This overflow kit is available in a chrome finish to match your bathroom fixtures.

Important

*While we strive to provide accurate measurements for our customers, sometimes mistakes happen. Our goal is to help things run smoothly from shipment to installation, so if you notice any errors in our spec sheets, please let us know.

Our products are handmade & hand finished so you can expect a tolerance of $\pm \frac{1}{4}$ " on all measurements. We strongly recommend waiting until your ordered product is on-site before attempting any rough-in carpentry or plumbing.

If you want to verify any of our measurements, please feel free to call or email us.

*Drawings are not to scale

In keeping with our policy of continuing product improvement, Acritec Industries Corp. reserves the right to change product specifications without notice.
